Bibliography: Individual and Contextual Factors of Radicalization

Judith Tinnes*

**Corresponding author: Judith Tinnes, Terrorism Research Initiative, email: j.tinnes@gmx.de*

Abstract

This bibliography contains journal articles, book chapters, books, edited volumes, theses, grey literature, bibliographies and other resources on individual and contextual factors of radicalization to terrorism and violent extremism. It focuses on recent publications (up to November 2023) and should not be considered as exhaustive. The literature has been retrieved by manually browsing more than 200 core and periphery sources in the field of Terrorism Studies. Additionally, full-text and reference retrieval systems have been employed to broaden the search.

Keywords

bibliography, resources, literature, radicalization factors, risk factors, individual, contextual, terrorism, violent extremism, terrorist perpetrators, pathways, profiles
